

**Lincoln High School
Class of 1957
55th Class Reunion**

January 30, 2012

Dear Classmate

You may not believe it, but it's almost time for the 55th anniversary reunion of our LHS class of 1957. Seems just like yesterday that we celebrated our 50th reunion! A small committee in Lincoln has begun planning our celebration, and we want to be sure you are in on the plans from the very beginning. Our past reunions have been big successes, and we hope this one will bring as many of you as possible to Lincoln for all the festivities.

The planned dates for the reunion are October 5 & 6, 2012. Several events are planned. You will be able to attend any or all of them. On Friday we will have a social gathering at the Firefighters Hall. This event will be a combined reunion of our class and the class of 1956. Come enjoy your food favorites from the past and socialize with classmates. On Saturday morning, there will be the traditional LHS tour. This tour will also be with the Class of 56. On Saturday evening, there will be a dinner/dance at the Lincoln Country Club just for the class of '57. Plans for a Sunday brunch are under consideration, but no firm plans are in place.

The class of '56 plans on scheduling a golf outing, but as of now we don't have details on this. I'll post them to the website when this is finalized along with the person to contact if you are interested in participating.

We are most interested in learning of your interest in attending and getting current contact information. We may prepare a yearbook of all our class members and you'll want to be sure you are represented accurately. Please complete and return the two forms so that we will have correct, up-to-date information. Also, if you'd like a current picture of yourself included, please send a photo no larger than 3"x5" or 4"x6" to me at the address below.

Optionally, you can make changes to your Personal Information and Reunion Interest on-line by visiting: <http://lhs57.net>. Links are provided for expressing attendance interest and updating your personal information. Details about using the website can be found on the website under FAQ. Reunion information will also be available on this website. Email me for a password to use these features.

We look forward to receiving your updated information and interest in attending. Thanks for your cooperation and interest.

On the back of this page is a list of "Missing Links". If you have any information that will help us locate these classmates, please let us know so we can inform them of this event.

Enthusiasm is high among all of us who are planning this reunion. Make sure you'll be there to join the celebration!

Sincerely,

Larry Klein
